“Krusinski Construction continues to be both a capable and responsive partner. They show a willingness to work through every challenge to ensure that the client benefits from their expertise in providing quality construction services.”

— Rick Nelson, vice president, Irgens Development Partners

**KRUSINSKI CONSTRUCTION COMPANY
IS BUILDING THE FUTURE OF HEALTHCARE TODAY
COUNT ON US TO TAKE YOU THERE**

“Our entire organization, from the board of directors to the project team staff, was ‘wowed’ by the diligence of the Krusinski company. It certainly was impressive seeing our imaging rooms completed a month ahead of the entire construction schedule. Consensus is that we now have a beautiful facility that we are very proud of.”

— R. Keith Golden, administrative director property management, Sherman Health
